Linden Modular Desk with Built-In Power, Sunshine

CLDE-9541-SS

\$199.00

Overview

The Linden modular desktop is crafted from solid mango wood and set on a sleek metal base for a refined modern transitional look. Two spacious drawers accentuated with brass-finish knobs provide functional storage, while built-in power outlets and USB ports supports today's connected workspaces. Its compact, modular design makes it an ideal solution for apartments, dorms, studios and other space-conscious environments.
