French Country 48" Square Dining Table, Coffee Brown

CLDT-3126-CBN

\$736.78

Overview

A classic silhouette inspired by French-country style, this dining table is expertly handcrafted from solid mango wood, showcasing the material's rich natural grain. Each leg is meticulously hand-turned by skilled artisans, with up to two hours devoted to shaping raw timber into a sculpted design element. Then the table is sandblasted, finished with warm coffee brown stain to achieve a nuanced, weathered finish.
